Nenad Stojanovic	Checking 5	Checking 45	10	90	I have been using the lid for 7 months so I cannot give you precise data about the honey yield.					
Borivoje Bocic	3	9	7	21						
Radojko Gole	2	10	6	35	I cannot fill the table since I started using the lids after extracting the honey. This is a stationary beehive yard.					
Branislav Jakovljevic	3	35	10	95	The data is not complete since we had the lids just during spring development and the main pasture.					
Miroslav Vasiljevic										
Predrag Radulovic	1	10	3	30	Due to the drought everything got burnt, there was no honey for the extraction. We received the lids, but it was too late.
